

# POET Internship

Education and Child Development Department

Are you  
tech-savvy?

Are you  
creative?

We want YOU!

The Education Department is hiring a technical assistant to help design a series of Master Teacher Orientation Modules. We are in the process of creating an alternative way to provide orientation and training to Master Teachers -- teachers who allow students into their classrooms to complete student teaching -- and need to develop 3-5 online modules accessible to them. In addition, we will be transferring documentation for the credential program to electronic files.

**When?**

Fall 2016 -  
Spring 2017

**Pay?**

\$10/hr  
10hrs/week  
Flexible scheduling

**Skills?**

- Technology literate
- Knowledge of /willingness to learn about presentation programs/infographics
- Creative
- Interested in the field of education

**Apply!**
